

OXFORD BROOKES CAREERS EMPLOYER GUIDE

**Engage with our students and secure talent
for your business**

ABOUT US

Oxford Brookes University has grown into one of the UK's top modern universities with a local, national and international reputation for teaching and research excellence. Our history has been defined by our students achieving their potential and a commitment to seeing our graduates well prepared for fulfilling and valuable lives.

Access to a large range of talented students and graduates

We have approximately 18,000 students at Oxford Brookes University with over 130,000 alumni in over 189 countries.

High quality education

Our programmes are accredited by 36 professional bodies across 17 subject areas and recognised by leading employers. We are among the world's top universities in 15 individual subject areas and one of the UK's top 50 institutions.

Highly employable graduates

93.2% of Brookes students are in employment and/or further study within six months of graduating. We support our students to develop work based skills through securing placements, opportunities abroad, volunteering, engaging with industry experts and face to face career guidance.

Exceptional teaching

Oxford Brookes University received a silver award in the Teaching Excellence Framework and has been recognised for our high quality teaching, learning and student outcomes

Oxford Brookes Careers are committed to making a positive difference to the progress of students and graduates of Oxford Brookes University. We encourage and guide students to enhance their employability skills and aim to support them in securing suitable roles after graduation.

WHAT WE OFFER

Recruitment

Part-Time Job Shop

We have students looking for part-time work throughout the year. We have a dedicated free service which can help you promote your part-time opportunities.

SME Internship Scheme

This scheme provides funding to enable SMEs to hire talented students and recent graduates of Oxford Brookes University for short term internships.

Placements, Internships and Graduates

If you would like to attract particular students to your opportunities, please contact us to discuss ways we can connect you with our students.

18,000 students and over 130,000 alumni

Advertising

Online job portal

Register your organisation through our online jobs portal and advertise your vacancies free of charge. Our job portal also allows you to reach all current students and all graduates who have completed their studies in the past 3 years.

Subject specific marketing

We work with academic staff and student societies to provide targeted marketing through multiple channels towards relevant degree subject areas.

RAISE YOUR PROFILE ON CAMPUS

Careers Fairs

We run a range of sector specific careers fairs which allows you to meet students from relevant degree programmes. These are an excellent way to raise awareness of your organisation and highlight the opportunities you offer.

Employer Pop-Ups

Book a stand on campus in one of our key locations to promote your opportunities and raise brand awareness with students directly. We will also ensure your presence on campus is advertised to students in a variety of ways to increase footfall.

Sector specific workshops and talks

Being a guest speaker or running a workshop for students keen to enter a specific industry is another way to engage with our students. Please contact us to discuss the most suitable options*.

*subject to faculty discretion

We are also interested in hearing about any new and innovative ideas you may have to engage with our students.
